

LEADERSHIP IN THE DIGITAL ERA

Executive roundtable discussion hosted by
FT | IE Corporate Learning Alliance

EVENT DETAILS

DATE:	21 November 2017
TIME:	08:30 – 11:30
LOCATION:	Frankfurt - Sheraton Airport Hotel Terminal I, Hugo Eckener Ring 15, Frankfurt Airport, 60549

The Financial Times | IE Business School Corporate Learning Alliance invites you to a dynamic event regarding Leadership & Cultural Transformation in a Digital World. You will have the chance to share your experience, knowledge and thoughts with your peers and industry experts.

The roundtable will be moderated by Lyndsey Jones, Executive Editor at Financial Times and IE Business School Professor & Business Mentor, Balvinder Singh Powar.

We live in a VUCA world- Volatile, Uncertain, Complex and Ambiguous: how can we navigate this successfully?

We will be covering topics such as:

- Disruptive innovation
- The challenges of fast changing customer needs
- Leadership development
- Changing roles and increasingly tech profiles entering all industries
- How Executive Education can help

The session will conclude with a group challenge, giving you the chance to network and create value together, as well as generating new approaches and ideas on how to flourish in the digital age.
