

INTELLIGENT TECHNOLOGY AND THE HR REVOLUTION EXECUTIVE ROUNDTABLE SERIES

11TH APRIL

THE CONSERVATORIUM HOTEL, AMSTERDAM

Facilitated by Anton Fishman, AI Educator and Matt O'Neil, Futurist at Futurist.Matt, the aim of our HR Executive Roundtable Series is to offer HR Leaders the opportunity to discuss trends, share experience and explore solutions in a private, collaborative, peer to peer environment.

The discussion will cover the following areas:

- AI within Learning and Development – how can we accurately allocate the right course and drive continual learning?
- What are the positive and negative effects of technology on health and wellbeing?
- The next generation approach to enhancing employee engagement and experience.
- Talent acquisition, candidate screening (eliminating unconscious bias) and onboarding.
- Ever increasing data pools – how can people analytics support more informed strategic decision making?
