

GLOBAL HR EXECUTIVE ROUNDTABLE

MARCH 27TH
LONDON

In association with

Hosted by the Global HR Executive and ON THE MARK and facilitated by industry Thought Leaders Mark LaScola, Managing Principal and Peter Turgoose, Senior Consultant from ON THE MARK, two of the world's leading practitioners in organisational design having completed hundreds of redesigns around the globe over the last 30 years.

Global HR Executive Roundtable Discussion | How to know it's Time to Modernise your HR Operations Model

The aim of this roundtable is to offer senior HR and Business Leaders the opportunity to discuss trends and share experience in a private, collaborative, peer to peer environment.

Together we will discuss those practical issues facing your business today including:

- Practical do's and don'ts of modern operating models addressing digitalisation, agility, customer centricity, local to global, strategy changes, platforms and ecosystems
- Common pitfalls and mistakes made on the road to modernisation
- Integrating future of work challenges into an operating model
- When to know the time is right to modernise an operating model and how to go about it
